Attachment 2:

Green Fleet Guidelines

1. In the Green Fleet emphasis is on fun. The objective of this regatta is to offer younger and less experienced sailors the opportunity to sail and participate at the O'pen Skiff events without feeling the need or burden to sail in the more competitive and arduous Gold and Silver Fleets.
2. Sailing will be a mixture of adventure sailing, racing, freestyle and any other form of sailing that the organisers deem fit.
3. Sailors will benefit from a high level of coaching throughout the event.
4. Sailors entering the Green Fleet should be of a level of sailing similar and/or equal to Tackers 2.
5. Green Fleet racing is intended to be run dependent on weather forecasts and prevailing winds. Should the conditions be such that racing is an option this will be conducted on a separate course.
6. The Green Fleet will consist of a variety of activities, led by appropriately qualified activity leaders/rules advisors (in an approximate ratio of 1:10 on the water). These activities may include both shore and on-water based skills, coaching and on-water games.
7. Prizes may be awarded for 'encouragement' and 'taking part' as well as placing for positions. Prizes will be awarded at the discretion of the Organising Authority.
8. Parents, guardians and friends are encouraged to come and spectate but please refrain from coaching/communicating with sailors and allow the qualified coaches to deal with any issues/circumstances that arise.

Attachment 3:

Introductory Rules for Racing

Version 1.01 - February 2008

Some Explanations

Windward and Leeward: The *leeward* side of your boat is the side where your mainsail lies. The *windward* side is the other side.

Port and Starboard tack: You are on *port* or *starboard tack* according to your *windward* side.

Advisor: A person appointed by the race organizers to assist competitors in understanding the rules and, when appropriate, to penalize a boat.

Basic Rules

1. You must comply with the principles of good sportsmanship.
2. You must try not to collide with another boat.

Rules When Boats Meet

3. When you and the other boat are on opposite *tacks*, if you are on *port tack* you must avoid the boat on *starboard tack*.
4. When you and the other boat are on the same *tack*, you must avoid the other boat
 - (a) if she is in front of you, or
 - (b) if she is on your *leeward* side.
5. After starting, when you and the other boat approach a mark or an object that both boats need to avoid, and the other boat is between you and the mark or other object, you must give her sufficient space to pass it safely on the same side. However, when the boats are on opposite tacks at a windward mark, this rule does not apply.
6. When the other boat is required to avoid you, if you change course, you must give the other boat an adequate opportunity to avoid you.

Other Rules

7. At the starting signal you must be behind the starting line.
8. After the starting signal, you must sail the course described by the race organizers.
9. You must not touch a mark of the course that is a committee vessel.
10. If you think you or another boat has broken a rule or if you are unclear about the rules at any time during the race, you must describe the incident to the *advisor* after the race. The *advisor* may then add two points to the score of any boat that has broken a rule. If the offence is serious, the *advisor* may add extra points to the boat's score.

APPENDIX UF UMPIRED FLEET RACING

Australian Open Skiff Edition

Version: November 2021

Umpired fleet races shall be sailed under The Racing Rules of Sailing as changed by this appendix. Races shall be umpired. The rule changes in UF1 have been approved by World Sailing under Regulation 28.1.5(b) on the condition that only the provided options are used. This appendix applies only when it is referred to in the Notice of Race and made available for all competitors.

Competitors are encouraged to ask the Umpires after racing about a decision made on the water to assist with learning outcomes. This can be done between races or on shore. Attempt to identify the umpire that made the decision to speak with about the incident.

UF1 CHANGES TO THE DEFINITIONS, THE RULES OF PART 1 AND 2, AND RULE 70

UF1.1 Add to the definition *Proper Course*: 'A boat taking a penalty or manoeuvring to take a penalty is not sailing a *proper course*.'

UF1.2 Add new rule 7 to Part 1:

7 LAST POINT OF CERTAINTY

The umpires will assume that the state of a boat, or her relationship to another boat, has not changed, until they are certain that it has changed.'

UF1.3 Blank

UF1.4 When rule 20 applies, the following arm signals are required in addition to the hails:

- (a) for *room* to tack, repeatedly and clearly pointing to windward; and
- (b) for 'You tack', repeatedly and clearly pointing at the other boat and waving the arm to windward.

UF1.5 Rule 70 is deleted.

UF2 CHANGES TO OTHER RULES

UF2.2 Rule 31 is changed to:

31 TOUCHING A MARK

While *racing*, a boat's hull shall not touch a starting *mark* before *starting*, a *mark* that begins, bounds or ends the leg of the course on which she is sailing, or a finishing *mark* after *finishing*.

UF3 ON WATER PROTESTS AND PENALTIES

UF3.1 In this appendix, 'a penalty' will mean the following:

If a boat promptly acknowledges breaking a rule: A One-Turn Penalty taken in accordance with rule 44.2; or

If an umpire penalizes a boat: A Two-Turn Penalty taken in accordance with rule 44.2.

UF3.2 The first sentence of rule 44.1 is changed to: 'A boat may take a penalty when, in an incident while *racing*, she may have broken one or more of the *rules* of Part 2 (except rule 14 when she has caused damage or injury), rule 31 or rule 42. However, when she may have broken a rule of Part 2 and rule 31 in the same incident, she need not take the penalty for breaking rule 31'

UF3.3 On the Water Protests by Boats and Penalties

- (a) While racing, a boat may protest another boat under a rule of Part 2 (except rule 14) or under rule 31 or rule 42; however, a boat may only protest under a rule of Part 2 for an incident in which she was involved. To do so she shall hail 'Protest', raise a hand in the air, and identify the other boat(s) involved at the first reasonable opportunity for each.
- (b) A boat that protests as provided in rule UF3.3(a) is not entitled to a hearing. Instead, a boat involved in the incident may acknowledge breaking a rule by voluntarily taking a penalty. An umpire may penalize any boat that broke a rule and was not exonerated, unless the boat took a penalty voluntarily.

UF3.4 Penalties and Protests Initiated by an Umpire

- (a) When a boat
 - (1) breaks rule 31 and does not take a penalty,
 - (2) breaks rule 42,
 - (3) gains an advantage despite taking a penalty,
 - (4) commits a breach of sportsmanship, or
 - (5) fails to comply with rule UF3.6 or to take a penalty when required to do so by an umpire,
 - (6) breaks a rule of Part 2 and there is physical contactan umpire may penalize her without a protest by another boat. The umpire may impose a penalty or more, each signalled in accordance with rule UF3.5(b), or disqualify her under rule UF3.5(c), or report the incident to the protest committee for further action. If a boat is penalized under rule UF3.4(a)(5) for not taking a penalty or taking a penalty incorrectly, the original penalty is cancelled,
- (b) An umpire who decides, based on his own observation or a report received from any source, that a boat may have broken a rule, other than rule UF3.6 or a rule listed in rule UF3.3(a), may inform the protest committee for its action under rule 60.3. However, he will not inform the protest committee of an alleged breach of rule 14 unless there is damage or injury.

UF3.5 Umpire Signals

- An umpire will signal a decision as follows:
- (a) A green and white flag with one long sound means 'No penalty.'
 - (b) A red flag with one long sound means 'a penalty is imposed or remains outstanding.' The umpire will hail or signal to identify each such boat.
 - (c) A black flag with one long sound means 'A boat is disqualified.' The umpire will hail or signal to identify the boat disqualified.

UF3.6 Imposed Penalties

- (a) A boat penalized under rule UF3.5(b) shall take a penalty.
- (b) A boat disqualified under rule UF3.5(c) shall promptly leave the course area.

UF4 RACE COMMITTEE ACTIONS

- UF4.1** After boats have finished, the race committee will inform competitors about the results on the official noticeboard.

- UF5.3** A boat intending to
(a) protest another boat under a rule other than rule UF3.6, or a rule listed in rule UF3.3(a),
(b) protest another boat under rule 14 if there was contact that caused damage or injury, or
(c) request redress
shall inform the race committee or an Umpire within two minutes of finishing.
- UF5.5** The race committee will promptly inform the protest committee about any protests or requests for redress made under rule UF5.3.
- UF5.6** The third sentence of rule 61.1(a), all of rule 62.1(a), and all of rule 61.1(a)(2) are deleted.
- UF5.7** The first three sentences of rule 64.2 are changed to: ‘When the protest committee decides that a boat that is a *party* to a protest hearing has broken a rule, it may impose penalties other than disqualification, and may make any other scoring arrangement it decides is equitable. If a boat has broken a *rule* when not *racing*, the protest committee shall decide whether to apply any penalty to the race sailed nearest in time to that of the incident or make some other arrangement.’
- UF5.8** Hearings
Except for a hearing under rule 69.2
(a) Protests and requests for redress need not be in writing.
(b) The protest committee may inform the protestee and schedule the hearing in any way it considers appropriate and may communicate this orally.
(c) The protest committee may take evidence and conduct the hearing in any way it considers appropriate and may communicate its decision orally.
(d) If the protest committee decides that a breach of a rule has had no effect on the outcome of the race, it may impose a scoring penalty of points or fraction of points or make any other arrangement it decides is fair, which may be to impose no penalty.
(e) If the protest committee penalizes a boat in accordance with rule UF5.7 or if a standard penalty is applied, all other boats will be informed about the change of the penalized boat’s score.
- UF5.10** The protest committee may protest a boat under rule 60.3. However, it will not protest a boat for breaking rule UF3.6, a rule listed in rule UF3.3(a), or rule 14 unless there is damage or injury.
- UF5.12** Rule 66.2 is changed to ‘A *party* to the hearing under this appendix may not request a reopening.’
